NRRS Facts

The R1S, or Recreation.gov is designed to be a One-Stop Shop for Reservations at Corps of Engineers and Forest Service Campgrounds. All reservations at Gerald R. Freeman Campground (Freeman) are made using the R1S or Recreation.gov. Approximately one third of the sites at Freeman are available on a First-Come, First-Serve basis. Additional first-come, first-serve sites are available at Bakers Run or Bee Run Campground.

Reservation can be made by calling the R1S Toll Free at **1-877-444-6777** or visit the R1S web-site at **www.recreation.gov**

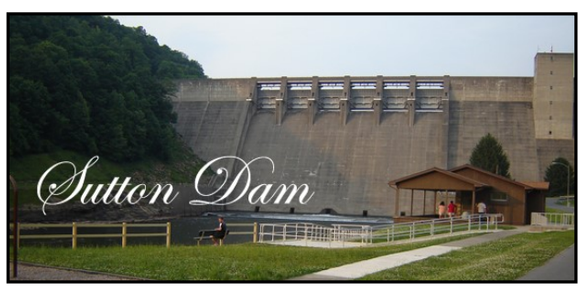
The Resource Manger's Office and G.R. Freeman Campground will NOT make reservation in person or by phone.

Weekend reservation must be for at least two nights. Holiday reservations must be for at least three nights.

There is no charge for making a reservation. However, if you make any changes to your reservation , such as site changes or date changes, there will be a $10 dollar service charge. If you cancel your reservation less than 48 hours before check-in time, there will be a $10 dollar service charge. If you don't show up for a reservation, you will be charged a $20 dollar service charge, plus first night rent.

You must pay for your entire stay when you make reservation. The reservation call center or web-site will only take bankcards (Credit or Debit) for reservations.

For more information, please contact the Resource Manager's Office or Park Attendance.



Volunteering

Want to do something fun and rewarding while you're here? Ever consider VOLUNTEERING? We're always looking for additional friends.

Current volunteers have served as campground hosts, entertainers, painters, cleaners, and much more. Check with the Park Rangers or call the Resource Manager's Office for more information about volunteering opportunities.

Pest Alert!

Emerald Ash Borer is the latest insect invading our forest. You can help by not bring FIREWOOD into our park, especially if its from an INFESTED area. Parts of Ohio, Pennsylvania and West Virginia are know to be infected with Emerald Ash Borer. For more information, see a Park Ranger or check out www.emeraldashborer.info

LIFE JACKETS SAVE LIVES

US Army Corps of Engineers

Sutton Lake

Bakers Run Campground

Picturesque Bakers Run Campground at Sutton Lake is one of central West Virginia's key attractions that offers visitors a wide variety of activities such as fishing, boating, camping, hunting, biking, and picnicking and at the end of a paved country road, nestled deep into the West Virginia Mountains, far from the big city lights, campers and anglers here may feel hundreds of miles from civilization and that's much of its allure. Bakers Run Campground is tucked away into the foothills of the Allegheny Mountains on the Elk River at the head of Sutton Lake. Baker's Run Campground offers 77 camping sites, of which more than a quarter are waterfront campsites. Eight full hook-ups (water, sewer, electric), and 26 have electric hookups. Bakers Run Campground has two restroom/shower houses, a large playground, horseshoe pits, beanbag toss, volleyball court and a basketball court. Bakers Run Campground also has trails for hiking and biking and for the avid fisherman, fishing on the lake is excellent, especially bass, crappie, catfish, bluegill, and walleye. Bakers Run Campground is great for boating, including pontoon boats, kayaks, canoes or anything that floats.

Area Attractions

If you want to explore, there are many interesting places in Central West Virginia. The US Army Corps of Engineers has three other lakes nearby– Burnsville, Summersville and Stonewall Jackson. There are several state and national parks, Such as, Cedar Creek State Park, Holly River State Park, Stonewall Jackson Resort, New River Gorge National Recreation Area and The Monongahela National Forest, Elk River Water Trail, Mollohan Mill, Bulltown Historic Area Civil War Battlefield, and Braxton County also has a wide variety of shops, and restaurants for your en-
