AGENCY

**NAME OF ORGANIZATION OR AGENCY
AND YOUR POSITION OR TITLE**

Preservation actions are being identified for consideration by the Corps of Engineers to achieve project purposes. This consideration includes the evaluation of environmental, economic and engineering parameters of the project. The Corps would like your input regarding potential preservation actions. Please provide your comments on the proposed alternative(s), the areas of study, or questions to be answered to ensure a proper evaluation of the alternatives proposed.

Additional space is available on back of this sheet. Attach additional sheets as required.

PRIVACY ACT STATEMENT

Authority: Section 101(b), Public Law 91-190, National Environmental Policy Act of 1969, (83 Stat. 852), 1 January 1970.

ER 1105-2-30, "General Planning Principles", & EP 1105-2-35, Public Involvement and Coordination."

Permit Activities-Section 10 of the Rivers and Harbors Act of 1899 (33 USC 403) and/or Section 404 of the "Clean Water Act", 33CFR 327, "Public Hearings."

Principal Purposes:

To obtain information from individuals in attendance at public meetings. Requested data include name, address, title/occupation, representing self or organization, address of organization, and brief written comments. The form also asks if the individual desires to make an oral statement concerning the proposed activity under discussion.

Routine Uses: Purposes of this form are as follows:

1. To obtain data to be used in notifying appropriate individuals of future hearings or meetings and of decision(s) concerning the activity,
2. To learn the desires of individuals regarding statements he/she wishes to make at the meeting so that all persons will be given an opportunity during the meeting,
3. To gather a brief occupational profile to facilitate agency correlation of views and areas of expertise,
4. To record written comments of attendees at the public meeting.

Non-participation

Notice: All data requested is voluntary. Public meetings are held to offer individuals an opportunity to participate in the planning or review process. The only effect on individuals choosing not to furnish requested data is that the effectiveness of their participation would be lessened.
