What is a Danger Zone?

Anywhere there are UXO!

The U.S. Army Corps of Engineers performed a clean up in the Dolly Sods area. All Unexploded Ordnance (UXO) found were removed; however, there is still a risk that some undetected UXO could resurface.

Enjoy Dolly Sods and have a safe visit!

How to stay away from the Danger zone

What are UXO?

UXO = **U**ne**X**ploded **O**rdnance
Mortars, bullets, etc.

Rules of UXO Safety

Recognize

UXO can be found in many shapes and sizes: They may look new or old, shiny or rusty.

Lengths vary up to 23 inches

Retreat

Go back the way you came.

Do Not Touch!

Stay at least 50 feet away.

Point out **UXO**, mark the area by:

Making an arrow with rocks.

Making an arrow with sticks.

Tying a bandana around something.

Report

1-888-283-0303

Report the location of the **UXO**.

ONLY YOU CAN PREVENT FOREST FIRES.
