## REVISION TO NOTICE TO NAVIGATION INTERESTS 12-25

### INTAKE INSTALLATION

### OHIO RIVER, MILE 177.2

Reference Notice to Navigation Interests 12-25 dated 6 June 2012. The new completion date is now on or about 31 August 2012.

All other pertinent information remains unchanged.

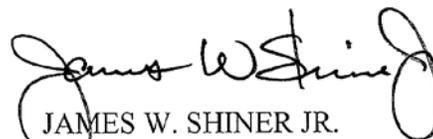

### For your convenience, the following is from Notice to Navigation Interests 12-25:

Notice is given that on or about 18 June 2012, an intake system will be installed along the right descending bank of the Ohio River, mile 177.2.

The contractor's floating plant will consist of M/V, William H. Elliott and one barge mounted crane. The contractor will be monitoring marine channels 13 and 16. Work will be conducted Monday through Friday, between the hours of 7:30 a.m. and 5:00 p.m. and is expected to be completed on or about 31 July 2012.

During non-working hours the contractor's floating plant will be moored at the work site and lighted according to regulations.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution.

  
JAMES W. SHINER JR.  
Chief, Technical Support Branch
