REVISION TO NOTICE TO NAVIGATION INTERESTS 15-19

BRIDGE INSPECTION

KANAWHA RIVER, MILE 46.2

Reference Notice to Navigation Interests 15-19, dated 11 June 2015. The job location has changed from Saint Albans – Nitro Highway Bridge to St. Patrick Bridge, Kanawha River, mile 56.2. The job has been closed due to high water on the Kanawha River. Work will start back up on 27 July 2015 and the completion date on or about 4 August 2015.

For your convenience, the following is from Notice to Navigation Interests 15-19:

Notice is given that on or about 22 June 2015, Amherst Madison, Inc. will perform a bridge inspection for P.K.B. Engineering on the Saint Albans – Nitro Highway Bridge, Kanawha River, mile 46.2.

The contractor's floating plant will consist of the M/V LADY LOIS and one barge mounted crane. The M/V LADY LOIS will be monitoring marine channels 13 and 16. This work will be performed from 6:00 am to 6:00 pm, Monday through Friday, with an anticipated completion date of 06 July 2015.

During non-working hours, the floating plant will be moored at the worksite and lighted according to regulations.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution.
