EMERGENCY GAS PIPELINE REPAIR

KANAWHA RIVER, MILE 73.3

Notice is given that on or about 27 November 2006, Professional Marine Consulting will conduct diving operations in support of emergency pipeline repairs on the right descending bank of the Kanawha River, mile 73.3.

Professional Marine Consulting's floating plant will consist of one 24' dive boat equipped with a marine radio monitoring channels 13 and 16. International alpha code and recreational dive flags will be displayed. The hours of work will be from 7:00 a.m. to 4:00 p.m. and it is anticipated that this work will be completed on or about 1 December 2006.

During non working hours the contractors dive boat will be removed from the work site.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution.

A handwritten signature in black ink that reads "Arlie D. Bishop".
