For Immediate Release

### **Corps to host Marmet information workshop**

HUNTINGTON, W.Va.... The Corps of Engineers will conduct an informational workshop regarding the Marmet Lock replacement project, Thursday, April 12, 2007, at the Corps construction offices located at 1923 West Dupont Avenue, Belle, W.Va. The public is invited to stop by anytime between 4:30 p.m. and 7:00 p.m.

The workshop will provide information about the ongoing construction activities, and Corps representatives will give a short presentation and will be available to answer questions. As in the past, tours of the construction site will be offered throughout the evening. The presentation and tour lasts about 30 minutes per group.

The overall construction project is about 90 percent complete, and the new lock is scheduled to be operational in February 2008.

For more information, contact Michael Keathley at 304-399-5864 or Jeff Jezewski at 304-399-5573.
