OHIO RIVER MILE, 436.2

Notice is given that on June 23, 2007, in conjunction with the Ohio River Freedom Ride, there will be approximately 80 recreational vessels locking through the chambers at the Captain Anthony Meldahl Locks.

The recreational vessels will be locking up bound at approximately 1300 hours and locking down bound the same day at approximately 2000 hours. During this time, these recreational vessels will be given priority lockage.

As river traffic will increase during these hours in this vicinity, mariners should proceed with caution when approaching the locks.
