DIKE CONSTRUCTION

KANAWHA RIVER, MILE 75.4 and 82.8

Notice is given that on or about 3 March 2008, dike construction activities will commence at Kanawha River, mile 75.4, along the right descending bank, and in the restricted area below London Locks and Dam, Kanawha River, mile 82.8.

The contractors floating plant will consist of the M/V ELINOR D, one crane barge, and two material barges. The M/V ELINOR D will be monitoring marine channel 13 and 16. This work will be conducted Monday through Saturday, 7:00 am to 5:00 pm and is expected to be completed on or about July 11, 2008.

During non working hours the contractor's floating plant will be moored on site and lighted according to regulations.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution.

A handwritten signature in black ink that reads "Arlie D. Bishop".
