## STONE SLOPE PROTECTION

### OHIO RIVER, MILE 169 - 171

Notice is given that on or about 16 July 2008, Madison Coal and Supply Inc. will begin placing stone slope protection along both sides of the back channel of Marietta Island and along the left descending bank of the channel side of the Marietta Island, Ohio River mile 169-171.

The contractor's floating plant will consist of the M/V FLORENCE T, one barge mounted crane, and three material barges. The M/V FLORENCE T will be monitoring marine channels 13 and 16. The contractor's work hours will be from 7:00 am to 5:00 pm Monday through Saturday and the work is expected to be completed by 31 October 2008.

During non working hours, the contractor's floating plant will be moored at the work site and lighted according to regulation.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution.

A handwritten signature in black ink that reads "Arlie D. Bishop".
