REVISION TO NOTICE TO NAVIGATION INTEREST 08-61

FACILITY MAINTENANCE DREDGING

OHIO RIVER, MILE 159.7

Reference Notice to Navigation Interests 08-61, dated 21 October 2008. Notice is given that the facility maintenance dredging, Ohio River, mile 159.7 has been cancelled.

For your convenience, the following is from Notice to Navigation Interests 08-61:

Notice is given that on or about 6 November 2008, facility maintenance dredging will commence along the left descending bank at the Allegheny Energy Supply Company, LLC, (Willow Island Power Station) Ohio River, mile 159.7.

The contractor's floating plant will consist of the M/V JAMES GARRETT, one barge mounted crane and six material barges. The M/V JAMES GARRETT will be monitoring marine channels 13 and 16. The dredged material will be disposed of at an upland disposal area along the left descending bank on the Monongahela River, mile 38.9 in Donora, PA. The work will take place from 7:00 A.M. to 7:00 P.M., 7 days per week and is expected to be completed on or about 14 November 2008.

During non working hours the contractor's floating plant will be moored at the work site and lighted according to regulations.

Mariners are urged to exercise caution when transiting this area.
