MAINTENANCE DREDGING

LITTLE KANAWHA RIVER

Notice is given that on or about 4 October 2004, BILCO Construction Co. Inc. will commence maintenance dredging for the West Virginia Division of Highways, in backwater on the Little Kanawha River, mile 2.5, along the right descending bank.

The contractor's dredging fleet will consist of the M/V GIGI and one barge mounted crane. The M/V GIGI will be monitoring marine channels 13 and 16. Dredging will be performed Monday through Friday, from 7:00 a.m. until 5:00 p.m. It is anticipated this work will be completed on or about 15 October 2004. The material will be disposed in an approved upland area located at the Debarr Trucking Co. Property.

During non-working hours, the contractor's floating plant will be moored at the worksite and lighted according to regulations.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution.

A handwritten signature in black ink that reads "Arlie D. Bishop".
