QUAD TIE INSTALLATION

OHIO RIVER MILE 314.2

Notice is given that on or about 14 August 2006, Kanawha Crane and Construction Inc. will begin construction of two quad ties at the KRT facility located on the Ohio River, mile 314.2, left descending bank.

The contractor's floating plant will consist of the M/V VANDALIA, one crane barge, and one material barge. The M/V VANDALIA will be monitoring marine channels 13 and 16. The work will be performed Monday through Saturday, 7:00 am to 7:00 pm. It is anticipated that this work will be completed on or about 1 September 2006.

During non working hours, the floating plant will be moored at the job site and lighted according to regulation.

Mariners are urged to transit at their slowest safe speed to minimize wake and to proceed with caution.
