MEMORANDUM FOR COMMANDER, *LRH* District

SUBJECT: Dover Dam Safety Assurance Project, Tuscarawas River, Ohio

1. The attached Review Plan (RP) for the Dover Dam Safety Assurance Project has been presented to the Great Lakes and Ohio River Division for approval in accordance with EC 1165-2-209 "Civil Works Review" dated 31 January 2010.
2. The USACE LRD Review Management Organization (RMO) reviewed the plan for technical sufficiency and policy compliance and concurs with the review plan. This review plan involves an Agency Technical Review and Independent External Peer Type II Review for the design and construction.
3. I concur with the recommendation of the RMO and approve the enclosed review plan for the Dover Dam Safety Assurance Project.
4. The District is requested to post the RP to its web site and provide the link to the RMO for their use. Prior to posting, the names of individuals in the RP should be removed.
5. If you have any questions or need additional information, please contact Frank Appelfeller, CELRD-RBT, at (513) 684-6200.
