

**SUMMERSVILLE LAKE
MASTER PLAN REVISION
MARCH 2017 PUBLIC MEETING**

The U.S. Army Corps of Engineers, Huntington District is in initial stages of revising the 1960s Summersville Lake Master Plan (MP). The MP is used by the Corps as guidance for the management and development of natural resources, cultural resources, and recreation at Corps civil work projects. The new MP will provide a vision for the future of the Lake and the necessary goals for achieving the vision.

The Huntington District encourages the public and stakeholders to provide input on MP topics through the revision process. Below are questions the Huntington District is looking for public and stakeholder input.

- What do you see this area looking like in the next 20 years?
- Any existing plans or development?
- What would you consider major problems or issues at Summersville Lake?
- What changes would you like to see on the lake?
- What about Summersville Lake is most important to you?
