DAM SAFETY INSPECTION DIVE

The US Army Corps of Engineers will be performing dam safety inspection dives at Winfield, Willow Island, Marmet, and Captain Anthony Meldahl Locks and Dams. The work will take place according to the following schedule:

Winfield Locks and Dam Kanawha River Mile 31.1, 23 July 2018 through 01 August 2018

Willow Island Locks and Dam Ohio River Mile 162, 06 August 2018 through 17 August 2018

Marmet Locks and Dam Kanawha River Mile 67.7, 20 August 2018 through 29 August 2018

Captain Anthony Meldahl Locks and Dam Ohio River Mile 436, 03 September 2018 through 14 September 2018

The Dive Team and Lockmasters will be monitoring marine channel 13. The work will be performed Monday through Friday, with an anticipated completion date of 14 September 2018.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution, and to contact the Lockmaster for any special instructions.
