REVISION TO NTNI 18-26

FRESHWATER MUSSEL SURVEY

KANAWHA RIVER MILE 42.0

Reference Notice to Navigation Interests 18-26, dated 8 August 2018. The mussel survey work at Kanawha River Mile 42.0 has a revised completion date of 28 September 2018.

**For your convenience, the following is from Notice to Navigation Interests 18-26:**

Notice is given, that on or about 27 August 2018, TRC Environmental Corporation, will conduct freshwater mussel surveys for the WVDOH, on the left and right descending banks of the Kanawha River, mile 42.0.

The contractor's floating plant will consist of a 20 foot pontoon dive boat. Dive vessels will display the international alpha code and recreational dive flags while performing under and above water work. The contractor will be monitoring marine channel 13 and 16. The work will be performed from 9:00 a.m. to 5:00 p.m., with an anticipated completion date of 10 September 2018.

During non-working hours, the floating plant will be removed from the river.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution.
