**BOAT DOCK INSTALLIATION AND DEBRIS REMOVAL OHIO RIVER 308.5**

Notice is given that on or about 12 September 2019, Amherst Madison, will begin installing a boat dock, and debris removal along the left descending bank of the Ohio River, mile 308.5.

The contractors floating plant will consist of the M/V Earl Franklin and one crane flat barge with two material barges. The M/V Earl Franklin will be monitoring marine channels 13 and 16. The work will be performed from 6:30 a.m. to 4:30 p.m., Monday through Friday with an anticipated completion date of 11 October 2019.

During non-working hours, the floating plant will be moored at the worksite and lighted according to regulations. Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution.
