**FACILITY MAINTENANCE DREDGING**

**OHIO RIVER, MILE 414.0**

Notice is given that on or about 16 March 2021, C & B Marine, LLC. will commence facility maintenance dredging for East Kentucky Power Cooperative at their Spurlock Power Station, located along the left descending bank of the Ohio River, mile 414.0.

The contractor's floating plant will consist of the M/V GLENNA M, three material barges, one spud barge, and one barge mounted crane. The M/V GLENNA M will be monitoring marine channel 13. The work will be performed seven days a week, from 7:00 a.m. to 6:30 p.m., and is expected to be completed on or about 30 March 2021.

During non working hours the contractor's floating plant will be moored at the work site and lighted according to regulations.

Mariners are urged to exercise caution when transiting this area.
