TENTATIVE MAINTENANCE SCHEDULE FOR 2013

HUNTINGTON DISTRICT

It is anticipated that major maintenance and repairs will be performed at the following locations during calendar year 2013. This notice may require periodic revision. It is given so that industrial and recreational waterway users may have a general knowledge of the lock outages and can plan their operations accordingly. Factors which may affect this schedule are the delivery of materials, repairs required but not anticipated, emergency repairs as a result of accidents, and funding.
