REVISION TO NTN 13-26

REVISED MAINTENANCE SCHEDULE FOR 2013

HUNTINGTON DISTRICT

Notice is given that the previously scheduled miter gate installation at Captain Anthony Meldahl Locks and Dam will be rescheduled. Currently, the 1200 ft main lock chamber will remain open to mariners, however, the 600 ft auxiliary chamber will be closed until further notice.

Additional revisions to the 2013 maintenance schedule for the Huntington District will follow.

JAMES W. SHINER JR.
Chief, Technical Support Branch
