## **TEMPORARY MOORING SITE**

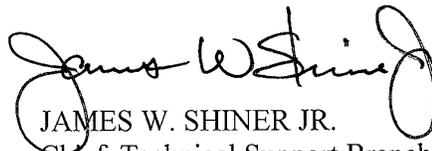

### **OHIO RIVER, MILE 431.9**

Notice is given that effective immediately during all high water events, Aquarius Marine LLC., the contractor for the construction of the Meldahl Hydroelectric project, will begin mooring the floating plant along the left descending bank on the Ohio River, Mile 431.9.

The contractor's floating plant will consist of the M/V CHRISTINE ELAINE, two barge mounted cranes, five open hopper barges, and two deck barges. The anticipated completion date is or on about 01 March 2015.

The floating plant will be moored and lighted according to regulations.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution.

JAMES W. SHINER JR.  
Chief, Technical Support Branch
