**REVISION TO NOTICE TO NAVIGATION INTERESTS 15-22**

**MIDDLE WALL INSPECTION**

**GREENUP LOCKS AND DAM**

Reference Notice to Navigation Interests 15-22, dated 23 July 2015. The new starting date for testing on the middle wall is 31 August 2015. The contractors working hours will be 7:00 am to 5:00 pm. Tentatively, no work will be performed from 4 September to 14 September 2015. The anticipated completion date is on or about 23 September 2015. All other pertinent information remains the same.

**For your convenience, the following is from Notice to Navigation Interests 15-22:**

Notice is given that on or about 3 August 2015, Stantec Tetra Tech JV, contractor for the United States Army Corps of Engineers, will commence testing for cracks in the middle wall at Greenup Locks and Dam, Ohio River, mile 341.0. This will require both the main and auxiliary chambers to be shut down intermittently.

The contractors working hours will be 7:00 am to 5:00 pm. Tentatively no work will be performed from 14 August to 17 August. The anticipated completion date is on or about 25 August 2015. During the working hours, both chambers will be closed.

For more information, please contact Greenup Locks and Dam on marine channel 13 or call the project at (606)-473-6066.
