REVISION TO NOTICE TO NAVIGATION INTERESTS 15-37

Reference Notice to Navigation Interests 15-37, dated 11 November 2015. The inspection work has been extended and the contractor will resume testing on 15 December 2015. The contractors working hours will be 7:00 a.m. to 6:00 p.m. Tentatively, no work will be performed from 24 December 2015 to 19 January 2016. The new completion date is on or about 29 January 2016. All other pertinent information remains the same.

For your convenience, the following is from Notice to Navigation Interests 15-37:

Notice is given that on or about 11 November 2015, Stantec Tetra Tech JV, contractor for the United States Army Corps of Engineers, will commence testing for cracks in the middle wall at Greenup Locks and Dam, Ohio River, mile 341.0. This will require both the main and auxiliary chambers to be shut down intermittently.

The contractors working hours will be 7:00 am to 5:00 pm. Tentatively no work will be performed from 14 November to 16 November. The anticipated completion date is on or about 25 November 2015. During the working hours, both chambers will be closed.

For more information, please contact Greenup Locks and Dam on marine channel 13 or call the project at (606)-473-6066.
