REVISION TO NTNI 16-22

TENTATIVE MAINTENANCE SCHEDULE FOR 2016

HUNTINGTON DISTRICT

Reference Notice to Navigation Interests 16-22, dated 29 August 2016. Intermittent closures at Willow Island Locks and Dam, beginning 6 September, 2016: During the repairs to the main chamber miter gate machinery, short duration unscheduled closures are expected. These will occur during the mobilization and demobilization of equipment. After the mobilization is complete, only minor delays (a few hours at a time) are anticipated while the machinery is repaired. A tender boat will be utilized to open and close the miter gates while the majority of the work is being accomplished.
