**CORE DRILLING**

**KANAWHA RIVER MILE 42.0**

Notice is given that on or about 16 October 2017, Amherst Madison will begin core drilling adjacent to the channel piers of the I-64 highway bridge on the Kanawha River, mile 42.0.

The contractors floating plant consists of the M/V LADY LOIS and one barge mounted drill rig. The M/V LADY LOIS will be monitoring marine channels 13 and 16. The work will be performed from 7:00 a.m. to 5:00 p.m., Monday through Friday with an anticipated completion date of 27 October 2017

During non-working hours, the floating plant will moored near the worksite along the left descending bank and lighted according to regulations.

Mariners are urged to transit at their slowest safe speed to minimize wake and proceed with caution.
