

November 19, 2020 Zoar Virtual Meeting Minutes:

Attendees: Listed in Table 1

Meeting Start: 3:00 p.m. EST

Recent Activities:

- USACE will address how to provide information to people who are unable to meet at the 3-5PM time frame. Details to follow
- All slideshows & meeting minutes are on the website.
- See slide 5 for recent activities.

Where Are We Now?

- Draft Long-Term Risk Management Plan under in-house review, will be presented for review and comment after the holiday.
- Informal framework/outline of Docent Training slides to be circulated prior to drafting, early December. The draft will include results of upcoming geophysical archaeology.

Review of Current Project Schedule

- Due to COVID developments, Nathan's appearance at Zoar Schoolhouse has been delayed until April.
- Will need to begin considering how public meetings will be handled as the project gains momentum.
 - o USACE PDT will meet to discuss.
- Draft report on geophys/arch to be sent out at the end of December, under ideal circumstances.
- Draft flyer should follow soon after.

Geophys/Arch Areas

- See slide 9 for mapping (areas outlined in red).
- Magnetometer and stakes to be possibly used.
 - o Everything that is brought in will be taken out.

Questions?

- Al Tonetti: Requested to be informed who the geophys/arch contractor is.
 - o Contract has been awarded to D.R. Reed & Associates, who will likely subcontract to firm with appropriate capabilities

U.S. ARMY CORPS OF ENGINEERS – HUNTINGTON DISTRICT

502 Eighth Street. Huntington, WV 25701

<http://www.lrh.usace.army.mil/>

- Nathan will send out a schedule once the contractor has submitted one.

Meeting concluded approximately 3:30 p.m.
